Little Lamb Nannies — System Diagram

Components from section 4.3. Numbered arrows ①–⑥ follow the booking walkthrough in section 4.2.

Walkthrough (4.2): ① family signs in with Firebase Auth · ② drags a time on the calendar (in the web app) · ③ app reads approved nanny profiles from Firestore, ranked per US-11 · ④ opens a profile; photo and intro video load from Cloud Storage · ⑤ clicks Book; the app writes the booking and security rules check the family is approved and the slot is free · ⑥ the new booking triggers a Cloud Function that emails the family and nanny a calendar invite through Resend. Dashed boxes and lines are stretch features.
